Mr. Weisberg,

Enclosed are:

(1) 3 slides of Powell photo blowups.

(2) clipping concerning Hart's comments

(3) Detroit <u>News</u> story by Seth Kantor about the rifle.

I will send 2 photographs from which the slides were made in a few days -- as soon as I can get copies made. I thought you would perhaps want to go ahead with these. (Remember, these slides are blow-ups. The original shows 2-7 floors of TSBD and has "FBI Laboratories" in left-hand corner.)

Best of health,

Wallen Milan
